

IMPORTANT NOTICE TO HSAS MEMBERS
formerly covered by the SGEU and CUPE 600 Agreements

This notice applies to members who were **NON-PERMANENT EMPLOYEES** (Casual, Temporary, Part-time) and formerly with SGEU or CUPE 600.

UPDATE: November 5, 2009

Last month, we reported on an issue regarding the above noted matter.

On Monday, November 2, 2009, we received notification from the Public Service Commission advising that the program initiated by the Public Service Commission is applicable to all current and former employees who were devolved to other agencies or employers.

This means that all members who were non-permanent employees formerly with SGEU or CUPE 600 and who are now members of HSAS, may apply to resolve pension losses.
