

## **Important Message to All Health Sciences Members**

**Some members have not yet received their ballots in the mail. It is apparent that the Canada Post backlog is affecting timely delivery of some members' ballots.**

**If you have not received your ballot, please call 955-3399 in Saskatoon or toll free at 1-888-565-3399 or email [hsasstoon@hsa-sk.com](mailto:hsasstoon@hsa-sk.com). Arrangements will be made to courier a ballot to you.**

**In order to allow for the postal delays and increased transit time of the ballots- the postmarked date has been changed from July 25<sup>th</sup> to July 28<sup>th</sup>.**

**Some members have been told in error that they could email their vote in. The bylaws of Health Sciences specifically call for a mail in vote where it pertains to ratification of the Collective Agreement. It does not provide for an email voting process and will not be utilized in this ratification process.**
