

## ● Music Therapists ●

- HSAS Music Therapists are skilled health care professionals who hold a university degree in music therapy
- Music Therapists employed in health care work with clients in hospitals, children's programs, extended care, rehabilitation centres and palliative care
- HSAS Music Therapists work with other health care professionals to assist Saskatchewan families suffering from physical, mental and emotional issues at all stages of life from childhood to old age
- Music Therapists focus on improving function and quality of life for clients with cerebral palsy, autism, fetal alcohol spectrum disorder, acquired brain injury as well as grief and trauma issues
- HSAS Music Therapists care about Saskatchewan residents and provide services to assist in learning and social skills development, emotional management and improved physical mobility
